LOCAL GOVERNMENT LEADERSHIP ACADEMY @ AREA ASSOCIATIONS 2017

The LGLA was pleased to have a presence at each of the five Area Associations this spring – allowing us to spread the word throughout the province about the LGLA Certification program and leadership development opportunities for elected officials and senior administrators. In addition to certification and program flyers being available onsite at each event, we were able to sponsor the following sessions:

AVICC – LGLA sponsored both the Mayors Caucus and the Electoral Area Directors Forum.

SILGA – LGLA sponsored a presentation by Randy Diehl, retired Kamloops CAO, on his recently published book *Serving with Pride in the Public Eye*.

AKBLG, NCLGA and LMLGA – LGLA sponsored a presentation by former Nelson City Councillor Donna Macdonald on her recent book *Surviving City Hall*.

We congratulate the Area Associations on a successful spring conference season and we look forward to continued work and relationship building with our AKBLG, AVICC, LMLGA, NCLGA and SILGA colleagues.
