The LGLA Elected Officials Seminars, previously known as the immensely successful UBCM Newly Elected Officials Seminars, will be offered once again following the BC local government elections.

The 2009 seminars are designed for both newly and returning elected officials and offer new seminar content and a new format.

The seminars will include plenary sessions for all elected officials attending as well as concurrent sessions to meet the specific needs of newly and returning elected officials. We also invite senior management staff to attend the seminars along with their elected officials.

Program Highlights:

- The 2009 program includes sessions on meeting procedures, setting priorities, teamwork, budgeting, financial planning, community planning, affordable housing, local government law, conflict of interest and more.
- Speakers include leading professionals and practitioners from the local government community across BC.
- Content is targeted at both newly and returning elected officials.
- Senior staff members are invited to attend with their council and board members.
- Six different seminars will be held in locations across the Province including Nelson, Kelowna, Parksville and Richmond.
- A special seminar program has been developed to address the needs of electoral area directors.

Local Government Leadership Academy
