Promoting Information Rights is Commissioner Denham's Top Priority.

- Why are we at this session today?
- To reduce the risk of bad publicity by ensuring compliance with FIPPA.

| Your Obligation as an Elected Official  |   |
|---|---|
|   |   |
| Since 1994, all municipalities and regional districts have been   |   |
| legally obligated to comply with the Freedom of Information and Protection of Privacy Act ("FIPPA").                              |   |
| It applies to elected officials, as confirmed in Regina v.<br>Skakum 2012.  |   |

| The Freedom of Information and  |   |
| Protection of Privacy Act   |   |
| The <b>purpose</b> of FIPPA is to make public bodies more accountable and to protect personal privacy.  It does so by:            |   |
| Providing an avenue of access to records  |   |
| <ul> <li>Providing access to personal information</li> <li>Providing limited exceptions to disclosure</li> </ul>                  |   |
| Regulating the collection, use and disclosure of personal information.  |   |
| Providing for independent oversight   |   |

| Applicable Records Under FIPPA  |   |
| Both <b>privacy and access</b> functions are relevant to public officials.  |   |
| FIPPA applies to all records in the custody or under the control  |   |
| of municipalities.  |   |
| This includes municipal records on private email systems or social media, as well as the records of contracted service providers. |   |

## Key Exceptions for Disclosure

All records are subject to request, but not all information is subject to disclosure. Some key exceptions for municipalities include:

| s. 12(3) | Substance of deliberations of in camera meetings               |
|----------|--|
| s. 13    | Policy advice  |
| s. 14    | Legal advice   |
| s. 15    | Disclosure harmful to investigations                           |
| s. 16    | Disclosure harmful to intergovernmental relations              |
| s. 17    | Disclosure harmful to economic interests                       |
| s. 21    | Disclosure harmful to 3 <sup>rd</sup> party business interests |
| s. 22    | Disclosure harmful to personal privacy                         |

### You must produce requested records.

**Don't be reticent to provide records.** When your FOI coordinator asks you for records responsive to a request, provide them ASAP.

The information will remain protected in nearly all cases where there would be unfair harm to the public interests and third parties.

Embarrassment is not an option....

#### Issues Management

The FOI request is one issue. Not processing it properly is another issue.

You can only afford to have one issue.

Failure to comply with FIPPA often makes for a worse story than just releasing the records.

| Proactively release records whenever possible   |  |

|   |  |
| Proactive disclosure:   |  |
| Promotes transparency.  |  |

| Managing Appointment Calendars  |  |
| Managing Appointment Calcinatio   |  |
| Appointment calendars are municipal records and popular targets of FOI requests.          |  |
| Clearly distinguish any non-municipal appointments or put them on a separate calendar.    |  |
| Restrict level of detail to basic information about the appointment.                      |  |
| Post on website if possible.  |  |
|   |  |
|   |  |
|   |  |
|   |  |
| Professional Documentation  |  |
| Troicssional Bocamentation  |  |
|   |  |
| Always use professional standards of documentation and correspondence.                    |  |
| And avoid unnecessary comments that might cause   |  |
| embarrassment.  |  |
