

COMMUNICATION ISSUES

Share an example of a specific communication challenge/issue and the outcome. For example:

- Communications around a contentious issue in your community,
- A challenge communicating with your council or board,
- A staff communications issue,
- A difficult public hearing, etc.

SUCCESS STORIES

Share something positive that has happened in your community during your term of office. For example:

- An initiative you led or participated in,
- A way of dealing with a difficult issue in the community,
- A fun program you introduced,
- A way of engaging a new group of people,
- A creative way of providing traditional local govt. services, etc.

OTHER CHALLENGES

What are some of the other challenges you are facing? Not necessarily communications-related. For example:

- Is there a member of the public or a stakeholder group you're having a hard time with?
- Is there a dire need in your community that you are unable to meet?
- Is there an issue you feel stuck in the middle of?
